

wibit™

We proudly present

There is nothing more gratifying than making people happy. With our newest line of kids products you are now able to create lots of happy faces even among the youngest!

Wibit stands for over 40 million smiles and there are more to come every day. Specially designed for the youngest fun-seekers, our new line of Kids products can be positioned in shallow water depth and guarantees fun and excitement for the little ones.

- Easy obstacles for young kids at maximum fun
- Specially developed for swimmers starting at 4 years with a height between 1,00 m / 39 inch and 1,50 m / 59 inch
- Easy installation and handling

Advantages

As easy as it can be. Our kids products and combinations are the ultimate fun for everyone.

Safety

All Wibit inflatables are developed according to the stringent TÜV safety standards. Special features like pool booms, buoyancy aids and the KidsScale will assure all kids are in safe Wibit hands.

Unique target group

Our new specially designed Kids products will enlarge your target group and make you attract young swimmers starting at four years.

3 year guarantee

Step up system (SUS)

Our new step up system makes it easy to climb up the Kids products. The kids will have more time playing.

Fast set up

Easy installation - daily removal possible if needed.

Events/Animation

Let the games begin! Bring the thrill and challenge of organized water sports to your Kids combination. The Wibit Kids products are perfect for individual occasions, like school classes, swim clubs or birthday parties. From track races to balancing competitions, there is fun for everyone. The kids will love it!

Pool Combinations

Our kids pool combinations will fit perfectly to your individual pool.

The kids products are made for any type of pool and allow the usage even in small pools with lower water depth starting at 1,20 m / 47 inch.

KidsRun: Designed to fit in a small budget and pool size, the KidsRun will add excitement and fun to your pool.

KidsTrack: This is the ultimate kids track for all standard size pools with lower water depth. A diverse obstacle course for every child.

KidsCourse: The KidsCourse is perfectly suitable for larger pools with shallow water depth. It is your best choice to entertain a high number of kids at the same time.

Easy anchoring

All Wibit Kids pool combinations can be easily anchored using Wibit pool booms. This will ensure maximum safety.

KidsRun: 7 kids

KidsTrack: 18 kids

KidsCourse: 20-25 kids
